

Reminder: Keystone First covers some generic prenatal vitamins

Did you know?

Keystone First covers certain generic over-the-counter medications, including prenatal vitamins.

Pregnant members need not worry about the cost of prenatal vitamins.

Many forms of prenatal vitamins are covered including pills, chewables, gummies, tablets, and liquids.

Covered prenatal vitamins can be found in the online formulary at www.keystonefirstpa.com → **Pharmacy** → **Formulary** → **Vitamins** → **Multivitamin preparations**. If you have any questions about this notice, please contact Pharmacy Services at **1-800-588-6767**.
