

2019 Recommended Childhood and Adolescent Immunization Schedule now online!

The Department of Human Services (DHS) released Medical Assistance Bulletin 99-19-01, issuing the U.S. Department of Health and Human Services' Centers for Disease Control and Prevention's (CDC) 2019 Recommended Immunization Schedule for Children and Adolescents Aged 18 Years or Younger. As stated in 55 Pa. Code § 1241.42(2), DHS is authorized to issue immunization guidelines based on recommendations of recognized medical organizations involved in children's health care.

In an effort to ensure that children and adolescents enrolled in Keystone First receive immunizations that conform to nationally recognized standards, Keystone First has posted the 2019 Recommended Childhood and Adolescent Immunization Schedule at www.keystonefirstpa.com → Provider → Resources → EPSDT for our network provider's reference. Please access at your convenience and save as a desk reference for use with Plan members.

If you have any questions regarding this notice, please contact Provider Services at 1-800-521-6007 or your Provider Account Executive whose contact information can be found online here: www.keystonefirstpa.com → Provider → Contact Us → Contact Account Executive.

Thank you for your continued commitment to the care of our members.
